

Free Tax Ministry

Our Free Tax Ministry will begin preparations for the coming tax season with a planning meeting at 7:00pm at Church of the Saviour, 11239 Fancher Road, Westerville, on Monday, October 23rd, followed by training/certification in December and early January. We will open for free tax preparation in late-January. We will do free income tax returns on Saturdays and Mondays, at Church of the Saviour, through mid-April.

Last tax season, our 2nd, we completed federal and state tax returns for 143 persons/families. We expect to increase that to over **200** returns, this coming tax season. **To do this we need volunteer tax preparers.** We provide IRS-based training and certification testing for volunteers.

If you feel God calling you to volunteer in this ministry, or you would like more information, please come to the meeting on October 23rd. You can also contact John Beattie at (614)582-6397 or email him at taxxnut@gmail.com

Our 2017 Samaritan's Purse Shoe box collection will be starting in late October. We will provide pre-printed shoeboxes and brochures at that time.

**National collection week is
November 13th—20th**

For as the rain and the snow come down from heaven, and do not return there until they have watered the earth, making it bring forth and sprout, giving seed to the sower and bread to the eater, so shall my word be that goes out from my mouth; it shall not return to me empty, but it shall accomplish that which I purpose, and succeed in the thing for which I sent it. [Isaiah 55:10-11, NRSV]

When we think of currency, we usually think of money. The point of currency is to circulate as a medium of exchange. Its purpose is to generate flow, to help goods flow and bring life. Flow is essential for water to be healthy, think of the sound and beauty of a flowing river.

Let us apply currency to ministry. What are the mediums of exchange that help ministry flow? Eric Law, of the Kaleidoscope Institute, has arrived at 6 currencies that lead to success, that make ministry missional and sustainable.

These six holy currencies help ministry to flow in life-giving ways.

Relationship

Truth

Wellness

Gracious Leadership

Time and Place

Money

I will be preaching a message on each one of these holy currencies, beginning in October and going into November. The currencies are part of the Cycle of Blessing, which will be discussed on October 1. The fundamental assumptions for the Cycle of Blessings are:

God owns everything.

God gives abundantly.

We are not to keep God's resources; we are to circulate these resources.

God's blessings are then recycled to create more blessings.

(Holy Currencies, p.7)

"The Cycle of Blessings is the dynamic exchanges of these six currencies, **flowing inward** to renew and strengthen internal relationships and increase gracious leadership capacity, and **flowing outward** to connect, discern the truth to foster wellness in the wider community." (Holy Currencies, p.13)

Shalom, Pastor John
